

Letter No. 08-005 Circular

To All Our Customers

Date 30th May, 2008

SUBJECT: Sales Agency for United Kingdom

Dear Sirs,

As you well know, Messrs ITC has closed in March.

Since then we have been working to re-organize our sales and technical support network in UK and we are now pleased to inform you that starting from 1st June 2008,

Mr Andrew Norton

from Peplertech Ltd will take over the Distribution Agency for United Kingdom to handle all aspects concerning the sale of Pluritec machinery and spare parts, supplies under warranty, technical and service support, etc.

We are convinced that this partnership will give fast response to customers' requests and we aim to build-up long-lasting and profit-making relations.

Please take note of the above and divulge this information to all those concerned.

Should you require any further information or details, do feel free to contact us.

Thanks and best regards,

Pluritec Industries S.p.A.
Moreno Mondino
Sales Manager
